

OCTOBER 2021

## PRESIDENT'S CORNER

Have you or someone you know ever been the victim of identity theft or fraud? Every day we hear stories about financial elder abuse, credit card fraud, and scams involving gift cards.

We recommend that members review their accounts daily because we know that the crooks never sleep.

Do you ever wonder what you can do to stop these criminals from trying to scam you and your family?

- Register **EVERY** credit and debit card that you have for FRAUD ALERTS.
- Enroll in transaction notifications for your accounts through Online Banking.
- Review your account activity using our Mobile App or Online Banking.
- Ignore calls from unknown numbers.
- Never click on a link when the subject or email looks suspicious.

Login and set up your alerts today. If you need help, please call us. Let's work together to stop fraud.

At InFirst, we want to help you fulfill your financial dreams. Together, we can accomplish this by protecting one another while saving for the future.

Sincerely,

*Martha W. Wye*

## AUTO LOANS

If you are thinking of a new car, apply online or call us to get pre-approved. There's no application fee. Once you find your car, ask the dealership to forward your purchase order to your loan officer. We want to make sure the car's value is in line with what you will be paying.

Don't get taken for a ride at the dealership! Our Guaranteed Asset Protection (GAP) beats the dealer's cost every time. We can also help with an extended warranty and payment protection.

Ready to take a spin? Visit [infirstfcu.org](http://infirstfcu.org) or call 703.914.8700 to apply today!
